MINISTERIO DE EDUCACIÓN Y CULTURA

Montevideo, **19 SEP. 2024**

Cúmplase, acútese recibo, comuníquese, publíquese e insértese en el Registro Nacional de Leyes y Decretos, la Ley por la que se designa con el nombre “Julio César Alves Alves da Cruz” la Escuela N° 117, ubicada en el departamento de Salto, dependiente de la Dirección General de Educación Inicial y Primaria de la Administración Nacional de Educación Pública.

LACALLE POU LUIS

1. The first part of the document discusses the importance of maintaining accurate records of all transactions.

2. It then goes on to describe the various methods used to collect and analyze data.

3. The next section covers the different types of statistical tests that can be used to analyze the data.

4. Finally, the document concludes with a discussion of the limitations of the current research and suggestions for future work.

5. The authors also provide a list of references for further reading on this topic.

6. In addition, they include a table of the data used in the study.

7. The table shows the results of the various statistical tests and the corresponding p-values.

8. The authors also provide a detailed description of the data collection process.

9. This includes information about the sample size, the duration of the study, and the methods used to ensure data integrity.

10. The document also includes a section on the ethical considerations of the study.

11. The authors discuss the potential risks and benefits of the research and the steps taken to minimize any harm.

12. Finally, the document includes a section on the funding sources for the study.

13. The authors acknowledge the support of the National Science Foundation and the University of California.

14. The document also includes a section on the authors' disclosures of potential conflicts of interest.

15. The authors state that they have no conflicts of interest to disclose.

16. The document concludes with a statement of the authors' contact information.

17. The authors can be reached at the following email addresses: [email addresses]

18. The document is available for free download at the following URL: [URL]
